Jizz the season my darling little pervs, and I sure hope that this issue of FOX finds you wanking around the clock. Poon always makes the perfect present, and so I assembled some of the naughtiest, nastiest, most outrageous elves in all of Pornville to stretch their vertical smiles wide for the camera and help you wring in the New Year. I'm talking high caliber booty like feisty tigress Joslyn James getting all cooze-y in front of the fireplace; yummy newbie Zoey Nixon showing off every creamy, dreamy inch of her slammin' bod; Sasha Sweet flaunting the fuck outta her festive bush; fun Phoenix Marie having one hell of a hole-y night and then some! Also get the low-down on what's happening BTS with our FOX XXXclusive on-the-set features! Engorge yourself on desert with Andy San Dimas & Ashlynn Leigh in Juan Cuba's ASS CREAM MILKSHAKES; shoot a wad or two on behalf of hardcore lezzies with Brooklyn Lee and Lea Lexis in Jonni Darkko's GIRLS LOVE GIRLS 4; and hang with the lusty likes of hot MILF India Summer & tart-in-training Mandy Armani in Jim Powers' FRIENDS & FAMILY 3. There's even a Twitterview with the luscious Lily Carter to help keep your wiener nice and warm on a cold winter's night. So dive in, pervs! I'm waiting for a kiss under the cameltoe!

**CADENCE
ST. JOHN**

**BLACK ANGELICA
& ANGELICA HEART**

EARLY BIRD SPECIAL

Dear FOX Magazine: I have write to you about one very specific photograph that appeared a few issues back, it was October if I am not mistaken. The layout was of Cadence St. John and there was this one super close of shot of her pulling her thick outer pussy lips apart with her fingers and showing off the meaty underside of her outer lips and the thin ruffled edges of her inner lips. Her pussy is all raw and red. It looks like it should be on a dinner plate next to a side of green beans and a baked potato. Goddamn if that didn't turn me on something fierce. I've drained my balls to that pic more times than I can count. It's so vivid and in your face. I imagine that slick slit

of hers hovering right over my face and my cock snaps to attention. I can't get nothing done until I beat off, even if my boner subsides my prick throbs until I get the deed done. I wonder if she's made any movies? I'd like to see that slab of pussy get fucked proper. —Liam via email

SO FUCKING FUCKABLE

Dear FOX: The very second I laid eyes upon the incomparable Cadence St. John from your October issue I knew that my jack off fantasies would never be the same again. She is so fucking fuckable. I always considered myself to be a kind of take-'em or leave-'em kinda guy when it comes to tattoos, but all

that ink on milky white skin really had my motor running. Ad that patch of zebra stripes on her thigh! Well, that would be the closest a man could ever come to bedding a wild animal. I bet she is a phenom in bed, too, it's obvious by the hungry look in her eye. She's got a real classy look with a whole lotta attitude. I gotta say I am completely fucking smitten. —Barney in MO

STATE-SPONSORED STUDY

Dear FOX: In your October magazine there were these two gals depicted in a lesbian situation and they looked very much alike at first with their long jet black hair of theirs but upon further scrutiny (which, thankfully

31647

31829

being unemployed at the moment I was able to dedicate myself to) the two of them are actually quite different and each one singularly sexually remarkable for vastly different reasons. Both of them had gorgeous thick, fat, fake titties but one of them (the one with the tattoo on her ankle) had the nicer ass of the two, in my humble opinion. While both were extremely gorgeous, the one without the tattoos had the nicer face, being a tad more sweet and girl next door-ish, which is the direction in which my preferences then to lean. As far as their assholes go, now it's a true toss up as to which one had the more appealing rosebud. I would have to be blindfolded and press my nose up between their asscheeks one at a time and then pick the sweeter smelling one by that method, it's the only fair way as far as I see it. Without the blindfold any impartiality would surely be impossible.—D. in D.C. via email

HELLCATS WANT THE TOP

To Whom it May Concern at FOX Magazine: Aleksa Nicole looks like she is straight from one of those reality shows featuring housewives backstabbing each other and acting all around cuntish. That said, I would have no problem fucking the shit out of her in all of

her MILFy glory. I'm no expert, but she looks like she isn't wearing too much makeup in those pics which is also appealing to me. I can't stand it when a bitch wears too much facepaint, I want to know from experience that she's a whore in the sack but I don't want everyone else in the supermarket to know just by looking at her. Aleksa looks like a hellcat who would like to be on top. I would let her ride me and cum until she exhausted herself and then I'd flip her over on her back and fuck her like she'd never been fucked before. The only think I gotta say is it's sort of a shame about those man-made tits of hers, I like a titty that can bounce and sway with a decent fucking but oh well, the rest of her is incredible and nobody's perfect.—Oliver in Vegas via email

TRULY INSPIRATIONAL

Dear FOX fucking Magazine: Your publication is inspiring, man, I am so inspired after I look at the pictures that I want to run out and grab the first bitch I see and bang her cockeyed. Luckily the first bitch I see is always my girlfriend who lives with me so I can get away with it, she's usually looking at FOX right alongside me and rubbing her twat the whole time. Sometimes I just like to stroke it

while I watch her study the pics and play with herself, and I've cum that way more than once. But it feels the best to bust a nut inside of her pussy after she's made it nice and damp for me pinching her clit while studying FOX. Thanks!—Joseph in ID

PRODUCERS TAKE NOTE

Dear FOX: I just recently moved to L.A. from Kansas and I have a fantasy of stumbling upon a porno shoot one day out in the open like in a parking lot somewhere or something but so far it hasn't happened yet. I've been here 4 months. I keep an eye out every day, though. Which brings me to my letter. I want to suggest that you have your photographers do more shoots out in the open. Not the desert or a junkyard or places like that although they are a nice background for nudity, but I'm talking like in an alleyway or somewhere. Like urban outdoor places. Give guys like me an opportunity to discover the shoot on their lunch hour or something and maybe watch a while real quiet from the sidelines girls showing off their pussy holes in the sunshine. I'd mostly like to see Phoenix Marie or Alexas Texas in action, those two are probably my favorites.—Tucker in CA

SASHA SWEET

Sometime over the summer cutie pie fuckstarlet Sasha Sweet made plans to ring in the New Year with a nice, lush bush. With that goal in mind she stopped shaving around Thanksgiving and now, after a few weeks of carefully growing out her pubes and trimming them just so, she's all set to have herself a hairy little XXXmas. In order to to give her pussy a jayous juicing by way of celebration, she cozied up to her trusty Ouija board in the hopes of summoning the ghosts of great orgasms past. As soon as she sat, spread her legs, and placed her fingertips upon the planchette, she began to recall some of her rowdiest climaxes. Her mind flooded with memories of mouths upon her nipples, hot breath upon her clit, digits deep inside asshole, thick cocks crammed into her slit. So Sasha stroked her furry cunny, closed her eyes, and floated away upon waves of otherworldly Os.

COMBAT ZONE
COMBATZONE.NET
DIRECTOR
JUAN CUBA
SLUTS 'N' PUPPET
ANDY SAN DIMAS, ASHLYNN LEIGH,
MICHAEL STEFANO
PIXXX & ARTICLE BY JEFF HUBRIS

Andy San Dimas is in tight black lingerie and applying makeup in a back bathroom. She speaks in a low, narcoleptic tone, relating a recent mishap while looking away from the mirror occasionally.

"I had three large suitcases stolen out of my car," she drones. "Like thousands of dollars worth of lingerie, shoes, I had shoes that I just bought and had worn one time. Everything. It happened in my parking garage because someone who was in the backseat of my car left the door open. Insurance didn't cover it. It was a lot of stuff."

I feel bad. I super care about Andy San Dimas because 1: She's fucking cool and 2: She won the XBIZ for "Female Performer of the Year" but should have won the AVN also at least once in the last three or so years. She was robbed. So she's been officially robbed at least twice that we know of. People who tell you that life isn't fair suck for being right. Andy is quietly charitable, beautiful, sans much ego, dark and real with an animal body that sucks sexuality out of the air. Sexual heaviosity at its finest. The other girl here for a threeway with the highly renowned Michael Stefano is a little firecracker from Texas named Ashlynn Leigh, who has a nice big clit and some flaming pussy lips.

"People always remember my vagina," she comments brightly. The barrage of dirty, whip-cracking backtalk is constant. "I like to lick assholes and armpits" also pops up in an adjacent conversation.

"This movie has a great cast and it's been going really good," waxes director Juan Cuba. "It's really back to old-school gonzo. I'm going to show off the girls a lot and there will be a lot of teasing. Then we have the veteran Michael Stefano. It's the whole thing, you know? It's a love story. A lot of ass play and then at the end for the climax Ashlynn's going to squeeze the cum out of her asshole into Andy's mouth. It's love!"

He dials up some Techno on a blaster and shoots a booty glorifying tease, then yells some direction.

"Andy, a lot of pussy play! A lot of face sitting between you two girls. A lot of dirty stuff. Open up for me—especially you, young lady! Crazy! Also you have to move your hair when you're going down there, move it to the side."

Then Stefano asks about Don'ts.

"I just don't want your dick in my pussy after it's been in her ass," she says.

"No problem," he replies. "How about dick sucking out of her ass?"

"Oh, that's fine," says Andy.

"I can't take toys," says Ashlynn. "That's a problem, but I can take a huge dick."

Cuba takes control: "Mike and everybody! Just do your thing! Strong! I need a strong scene!"

Shooting begins with the girls making out on a chair. Lots of girl/girl lubrication action. The outfits come off and Stefano steps in. Just a short résumé: He's in the AVN Hall of Fame, won AVN Male Performer of the Year in addition to three "Best Sex Scene" awards, including one for "Best Threeway." In other words, dude knows how to screw a bunch of girls at the same time in front of a camera, and he is about to do it again.

ANDY SAN DIMAS: I just moved and I got married. Porno girls do get married. I got married to my best friend. We have a really good relationship and I can't complain. I know I said I was going to do anal this year. I was just reading one of the back issues of *FOX* and I was saying I would do that this year. I don't know if I'm going to be able to do it because I don't think I have a butthole built for anal. Some girls do and some girls don't. I've tried practicing and I've tried everything. I don't want to get into an anal scene and not be able to do it. I don't want to be that girl holding everything up on set. There are people like Dana DeArmond who can take a dick in her ass easier than she can take it in her pussy. I'm just not one of those girls. I wish I could at this point in my career because I've done everything else. I'm always the other girl on set with a girl that's doing anal. ...When you win awards your rate goes up. It's a double-edged sword. At this point now, because I feel I'm not doing anything new and really not bringing anything new to the table, your work decreases just a little bit. I've been doing this for just a little while, this is my fifth year and it's just flown by. It makes me feel weird that I've been doing this for half a decade. It feels like it was just yesterday and I still feel new but when I come onto sets with girls like Ashlynn who say that they're excited to work with me and that they like my work, it makes me sit back and realize that I do have fans and I have been around for a minute and there are girls who are new to the business that look up to me and it's cool. ...I feel like everyone is working a little less at this point with the condom regulations and people busting in on your set and the vice squad raiding things. It makes people just a little more scared to shoot and more apprehensive which is unfortunate because there are a lot of other crimes cops could be investigating. I've been on sets where the next day it's been raided or been close by, but I've been lucky. ...I've wanted to get my tits done. It's been something I've considered and I've thought about, but my agent would kill me. Mark Spiegler hates big tits. I feel like if you come to Mark and already have fake boobs that's fine but if you want to get them during your career Mark discourages you, which is good because all the other agencies are the first ones to tell a girl what's wrong with them and what they need to fix. I feel like Mark is more considerate as to what the good things are that you already have. I thought about it and decided against it. And going under the knife is so scary for me and I'd be so scared that I would not like them. Like, what if I got boobs that were really bad? I've seen a lot of really bad fake tits in this business. I've been a stripper since I've been 18 years old and I've been doing this for five years and yeah, I've come across a lot of bad fake tits and I think I would hate myself. I would really have a problem with my body then if I tried to fix something that wasn't broken and then broke it in return. Then you've got a real problem. I know girls that are on their third boob job and they're my age. It's not something I would want to have a problem with. No one goes in there wanting this bad boob job. Everyone goes in there wanting Pamela Anderson's tits from the mid-90s. My fans would hate me. In this business you really have to come in with fake boobs or you really alienate people when you get them if you get them halfway through your career.

ASHLYNN LEIGH: I've been doing porn a year and a half now. Oh my goodness I've been doing a lot of orgies. You know it's so funny, when I first got into porn the whole point of me trying to do it was I wanted to experience different things that I wouldn't normally ever do. I've had an all-girl anal orgy. That was pretty exciting, I've gotten to experience a lot of girls. Before the industry I did but not as much, especially not hot girls. I love assholes. I always have but I was always kind of nervous when it comes to licking them and stuff but now I love it. I love shoving my face in there. I love spit, I used to not spit as much when I was sucking dick and now it's something that I can't help. People are saying to me don't spit but I can't help it. It's become a fetish. You know, I love pleasing more than I ever have before. I love to please more than receive now. I'm sort of a sub but I've also experienced being a dom. Anal is another thing that I've really gotten into. I always fingered my ass but I never thought I would get to like anal sex and it's mandatory now. I've had my ex stick it in and he came in my asshole but I wouldn't let him pump. I was, like, you can stay in there but don't pump and now I like to be rammed really hard. It hits a certain spot. I guess it's kind of like the same spot that's hit when they're very deep inside your vagina. It's kind of the same sensation but it's in your asshole so you're kind of getting it better because they don't have to go as deep, you know? Because if I finger my pussy while I'm getting fucked in my ass I can feel the head of the dick. I think it has something to do with that, I have no idea, but it makes your clit so much more sensitive and you can just cum so quickly if you just let go and are relaxed. It's the most amazing feeling, I can just cum and cum and cum. It's a completely different orgasm than you would ever feel. You can't get it from your vagina. It's an indescribable sensation. You can't get that feeling anywhere else and it's just amazing. ...I don't have sex as much now in my personal life because I'm scared I'll freak people out. I'll go back to some of my exes and I'll be, like, watch what I've learned...look at these new tricks. It's really fun to watch them be

like, *Damn!* Some of the exes who I wouldn't let go in my asshole I'm like, *Go ahead and fuck my ass!* and they love it. It's fun to go back and then not talk to them again. I'm like, *I just wanted to show you!* I've done four or five DPs. Not a lot but a handful. They're really good. Some people say that they prefer it over anal. I actually prefer one penis in one hole but it's good. If there are five guys or more I need to use all of my holes but if there are only two guys I prefer anal. In all of my DPs I've probably had four or more guys and it's fun to be able to please all of them. It can be some hard work. I need to move and I need to fuck back and it's really hard to do that with two dicks inside of you because you have to go with their rhythm, it's crazy and you can barely move. I'm very quick to orgasm. I'm not hard to please because my clit is just very overly sensitive and I can come with pretty much anything. I would say I feel it more in the vagina I guess. There's more sensation there. ...My family is fine with it. I talk to them about it even though they don't want to hear it. Sometimes I'll tell them some things and they're like, *Whoa, didn't need to know that.* My mom's really into it, she thinks it's really interesting. I'm moving back to Texas so I can be closer to my family and go to school in Sexology. I'll be in Fort Worth. I hope to do something with that career. I'm very interested in sex and the body and everything about that. I hope to continue to make movies and I want to get an award soon. I just started doing IR and I'm loving it. My scenes have been really good so Urban X hopefully here I come! IR is a little different. Nothing against any type of guys but I think different races fuck differently. The black man is really into you. He's really into you and the passion but yet is still fucking you really good. White men, especially in the industry, are worried about camera angles and should be, but the black guys also have the passion and they move their dick in circles and do things that not all white men do, it's fun. I didn't have my first black dick in till I was 18, then I was robbed. He fucked me and then he robbed me, it was pretty great. That was San Francisco for you.

ANDY SAN DIMAS: I still have problems with insomnia, especially because I haven't been shooting a ton. When you get into shooting a lot and you're used to waking up at 7 or 8 o'clock every morning and working and making yourself tired it's easy for you to sleep at night. Now I'm working maybe once a week and my insomnia has reared its ugly little head again and I've been getting my day and night mixed up and have had a harder time falling asleep. Also I made the mistake of painting my whole apartment black so my body is really confused as to what time it is. Like today I woke up at 5 o'clock in the morning by accident and I looked at my phone and it said five and I freaked out because I thought I'd missed my shoot because I thought it was 5 PM. At the same time I really hate doctors so I'm not one to go to a doctor and get on anything for my insomnia. I'm also scared that I would also get on some prescription drugs for insomnia and sleep all day and not be able to wake up for shoots so I tried to just do it cold turkey or without NyQuil, which isn't always the best. I usually take a swig when I'm trying to go to sleep at night and I think I have a pretty good tolerance towards it. It doesn't kick my ass as hard as it used to. I'm able to wake up on it. ...About a year ago I think I was very skinny and I gained a bunch of happiness weight, marriage weight, which I think is good. I miss being really skinny but yeah, a lot of people like the way it looks. I feel more centered. I think I was just going through a weird time in my life, I mean everybody does. It was just a really pivotal moment emotionally and mentally. I definitely feel more at ease now. ...I'm definitely very into having sex at home. It's not like I'm not having sex in porn but it's just a different kind of sex. It's very loving and I'm with someone who fucks me really good and I'm really happy about that because there's a difference between having sex with someone you love and getting fucked really good and I feel like I have the ultimate balance at home. I get fucked by someone I love and it's nice. ...I'm going to give myself another two years in porn. In two years I'd just like to be doing something different. You change and you get bored doing some things and I'm not bored doing porn but I just think that I want to have a baby in two years. I could be doing porn then but I don't want to. It's just a different area of my life that I'd like to explore but until then I'm going to be doing porn for sure. The industry is changing and shooting isn't the same as it used to be. I feel like it's harder to shoot and there are more girls now than there used to be and I'm not a spring chicken anymore in this business and I've sort of accepted the fact that there are other girls who are going to get booked over me because they're new and that's fine with me. That's how it was when I got in. I'm such a homebody now. I like being low key at this point. I'll see what comes my way.

It's a superlative bang out. All of the threeway permutations are realized and at one point Stefano stacks the pussies on top of each other and goes back and forth, in other words— exactly what I do at least four times a week on my lunch break. He blows a load into Ashlynn's ass and Andy takes the Ass Cream Milkshake™ from beneath. I mention to Cuba that this old-school gonzo thing is cool and it feels like 2004 again.

"It feels that way, thank god!" he answers. "It's not like I have to write a whole fucking script!"

But here's the kicker. You gotta hear this. This is so fucking prime. During a smoke break on a back patio Ashlynn tells a story about hooking up with her high school teacher, after-the-fact: "We got in touch over Facebook and she was like, *Let's hang out*. Her boyfriend just broke up with her and I was, like, let's just go and have fun and go to a strip club and she was like, *Okay, cool*. We went to a strip club and I find out that she's off in the bathroom doing coke with some stranger and comes back fucked up, high as hell and tells me let's go home. So we ended up fucking for like five hours. She would not let me leave her alone. She was the ISS teacher. That stands for "In School Suspension," and I was in there like twice a week. I was terrible and she would always suspend me. So we fucked for like five fucking hours and then I didn't talk to her for the longest time and she was so mad. She was, like, *Why would you do that to me? Why would you let me do that?*

This Ashlynn Leigh thing just gets better and better. Two very different sexual animals arrived at this performance from somewhat opposite sides of the personality spectrum, both of whom have ended up in the right place and time. Andy San Dimas dives in, unpretentious and striking, confronting the camera with a stony glare, just one of the greatest ever. We may never see the likes of her again. Ashlynn Leigh runs amok, all ADD, out of control and certifiable. The prairie fire collides with the quiet storm. Interesting girls just pounding out the sex. Not boring. 🐱

ZOEY
NIXON

@ZoeyNixxon

One thing Zoey Nixon does not have to ask Santa for is a set of knockers worthy of stopping traffic because she's already been hooked the fuck up with those. She's got a decent booty, too, considering she's such a slender young thing. So what does a slut who's got it all goin' on ask the Jolly One to stuff into her stocking for XXXmas? Why, she asks for a fuckstick to slip inside her snatch, natch. All babes, even redheaded babes with sweet faces, creamy skin, glorious globes, and an unblemished peach of a pussy like our girl Zoey here, like to play with themselves. And since that lucky horndog Mr. Claus gets to keep an eye on her when she's sleeping AND when she's awake, every time XXXmas rolls around he makes sure to give naughty little Zoey enough toys to keep her hot twat happy all year long. Nice! 🐱

Phoenix Marie

AND PRINCE YAHSHUA

Not everyone dreams of a white XXXmas. All during this HOLIDAY season the filthy sueños of scalding hot sexpot Phoenix Marie have definitely been on the darker side. Which is why, when she realized that her ass wouldn't last till the end of December without receiving a royal dicking, she called upon the services of her dear pal Prince Yahshua. His mighty black mamba happens to be one of her all-time fave trouser snakes to take down, so when his highness arrived at their appointed hook up spot she was waiting for him eagerly with her box unwrapped and twitching wet. He grabbed Marizzle by her golden locks and made her drool on his log before he thrust it deep into her gynie. Then he gave her the gift that she really wanted: a ~~but~~ fucking so intense that she'd remember it well into the New Year. Never ~~and to be~~ a Scrooge with spooze, Prince exploded all over her tummy. Joy to the ~~and!~~ 🐱

Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about 1/2 of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

PIXXX BY GIA JORDAN

HOLLY MICHAELS

Age: 21

Hometown: Glendale, AZ

Specs: 5'11", 34D-26-36

Turn-ons: Flowers, guys who like to laugh, late nights, being naked, green tea ice cream, the beach.

Turn-off: Fake people.

Gia: How often do you get asked if your breasts are real?

Holly: All the time! And yes.

Touch them and see.

How long have you been in porn?

Maybe a year. Before that,

I did webcam. I miss my pervs.

Hope they're watching my scenes.

What's your favorite scene you've done so far?

Gangbanged 4 (Elegant Angel)

It was my first gangbang.

Ommmgggg loved it!!!!

Have you ever sat on Santa's lap as an adult?

No, but I'd like to. Me on one knee and Lily Carter on the other.

What would you tell Santa you wanted?

The Cardinals to win the World Series and being at the game, a new bed, world peace, everyone to be happy.

How do you like your bird stuffed?

With loads of stuffing!

Do you like winter holidays?

I grew up in Arizona and still live there but fly out to Los Angeles for shoots. I want a snowy Christmas.

Have you ever been a nut cracker?

I love nuts too much to hurt them. But I did grow up doing ballet, and I was in the Nutcracker then.

Boys or girls?

I had a fan tweet me assuming I was gay for pay. I was with a girl for four years in my personal life, and there's no faking that, I'm sorry though...cause I am much MORE of a dirty slut when I have a cock;) But that doesn't make me G4P; it makes me bisexual. "If you choose to label it," I am into both genders and have different experiences with each.

Naughty or Nice?:

What...a girl can't have both?

ERECTION
PROBLEMS**

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase

sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim TURBO-D is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU
WANT THE
**SEX
POWER
OF A
BULL?**

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker, repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

EVIL ANGEL VIDEO

DIRECTOR
JONNI DARKKO
SLUTS
BROOKLYN LEE, LEA LEXIS
PIXXX & ARTICLE BY JEFF HUBRIS

This is a lesbian day, which *usually* expedites matters immensely because complications are lessened—there will none of the tube-steak/vagina coupling errata that can only cause confusion. What we're dealing with instead are two super nice gals with real human erection massagers (both front and back) and some highly developed porn know-how, in addition to some happy colored plastic toys that will function as the primary penetrative tools. Brooklyn Lee and Lea Lexis are both highly skilled in all facets of the sexual arts and make no attempt to shirk their porn set responsibilities like some others, who perform as little as required in order to receive their whore bucks at the end of the day.

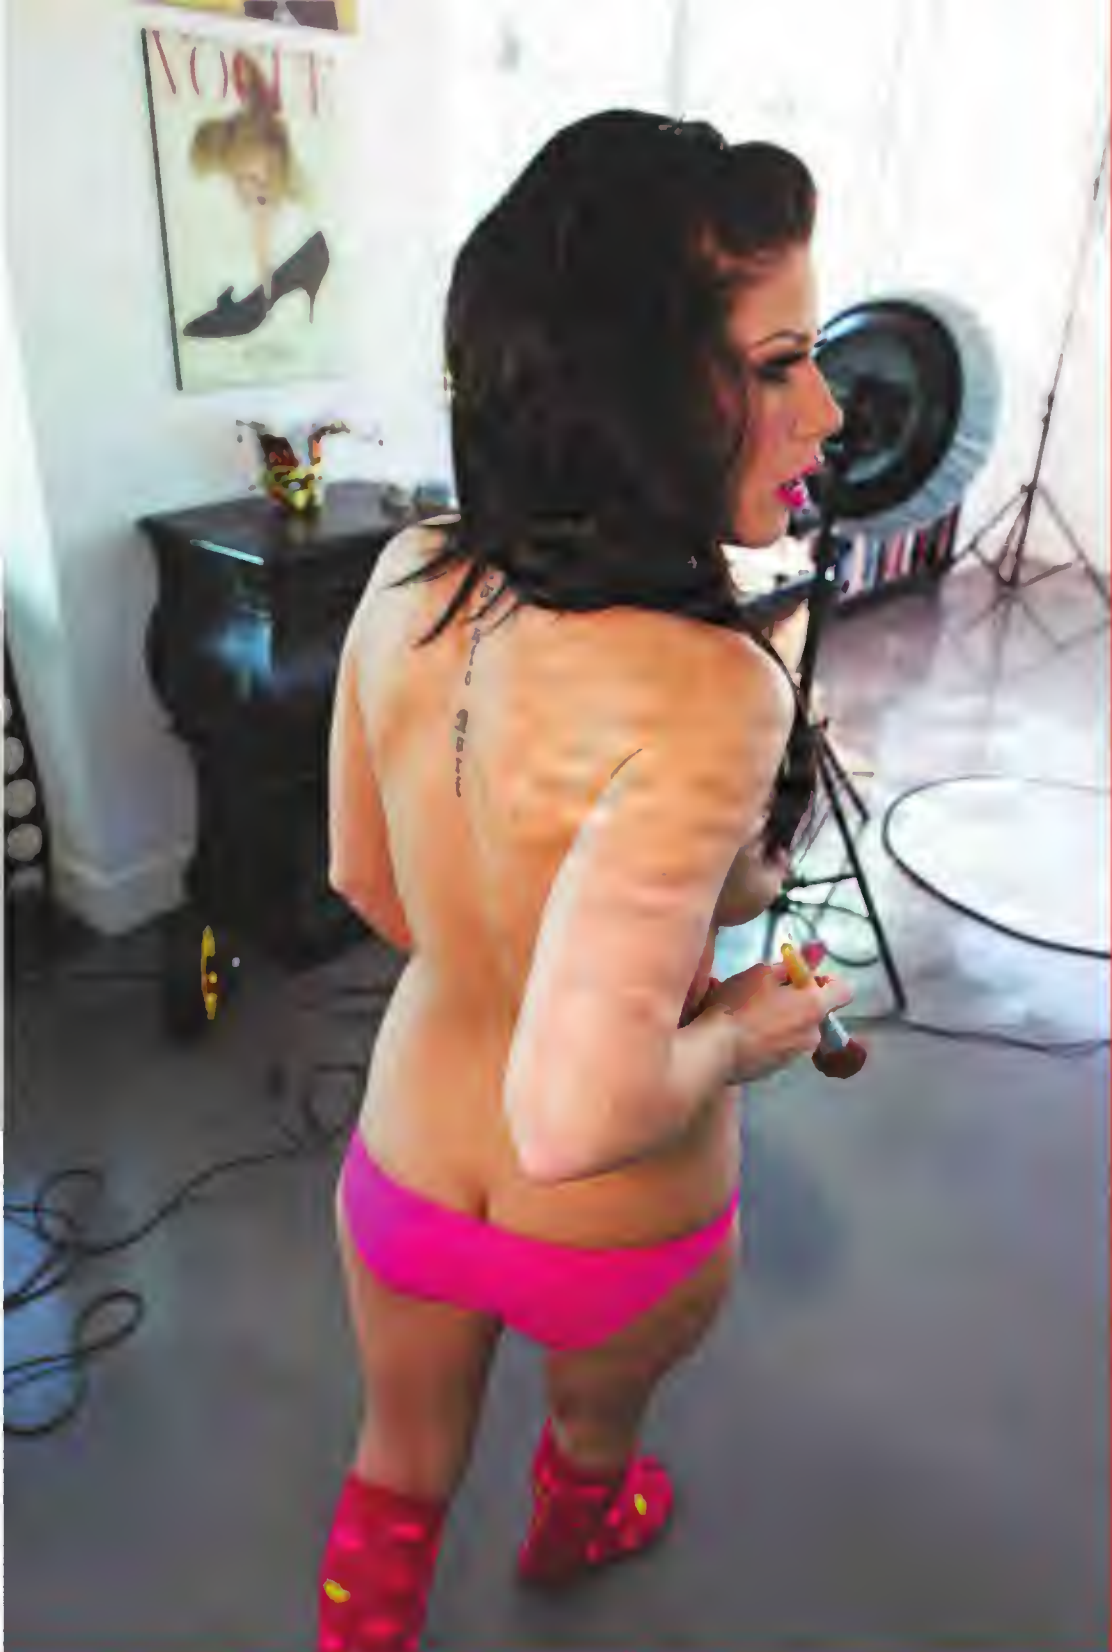

"We're actually trying to do a girl/girl movie where it's actually serious girl/girl instead of just girls pulling giant things out of their asses and a dog and pony show," Jonni Darkko explains. "Something where girls can show up and actually have a good time instead of being forced to do all of this other horseshit."

Lea asks production manager Nate Liquor to lube a large, black pyramid buttplug and then has Darkko help fitting it up her rectum. Both girls are tricked out in pink knee socks with matching bikinis. They pose for stills. I don't predict a bitch fight because they seem to get along just fine, which eliminates another potential problem.

"It's hard to get pairings together and make it so they work, you know?" Darkko says. "I hate girl/girl because of that. It's a superior challenge."

There are interesting pussies here this afternoon. Lea packs the eternally youthful "smoothie" variety while Brooklyn Lee offers a very utilitarian, easily-spread wongergash with budding pubic growth confirming her natural red hair color. Her mane is died jet black and exists as an exception to the pervasive, beacon-like habitude of the ultra proud, preening redhead club.

Let's roll. Darkko wants spit and bubblegum antics. There's a makeout session then the toys are produced. A dual headed, red rubber Kong and a clear glass dildo figure prominently, as well as the extremely popular Hitachi wand, the official orgasm machine of the WNBA, Pornoland and, coincidentally, the rest of womanhood. Brooklyn Lee takes hits off of a water bottle to help facilitate what appears to be a never ending wellspring of high viscosity saliva.

"Once she gets going she's a total spitasaurus," says Darkko. Now that's show business. Much respect. Time to step it up.

"All right. the fairy tale's over, go for it!" he says commandingly. "Nate! Lube up Lea's hands to holy hell so she can get in there so she can go nice and crazy. Go fucking nuts! I'm starting tight on your guys faces, okay? This is going to be really graphic. Take your time. From here on out it's Evil Angel!"

That would be code for anal anything and general freestyle, radical sexual behavior. This brand image consciousness implies a refreshing *esprit de corps* in these declining days of porn anarchy. Nice touch.

BROOKLYN LEE: I just got back from Europe. I was in Wales. I shot in...I can't even pronounce the name...it was like "Langellan" or something. The Welsh language is really interesting. One of the girls there spoke a bit of it and she tried to teach me some things. They were teaching me some Cockney too, which I thought was really funny. It's a completely foreign concept to me. Like if you say "up the stairs," it's "apples and pears" instead because it rhymes. Or if you say, "Oh, that girl's got a nice "boat race," it means "face." Totally weird. So we shot *Nymphomaniac* over the course of a week. We also shot their *Young Harlots* movie too. ...People hate that I smoke. They give me shit about it. People email me and say, "You need to quit smoking." Dude, I'm serious! Or they'll write me in forums and say, "You've got to stop smoking." I don't smoke much. I really don't. It's more of an on-set thing, for down time. Shooting in Wales wasn't hell. There were moments that were hellacious, but...it's always interesting to be around the same people for an extended period of time. You're away from the comforts of your home so everyone gets a little funny. I get especially funny just because people piss me off, but it was okay. I'm really glad that we got to shoot the movie and I'm pretty happy with the movie. We'll see how they edit it because you always think things will necessarily be one way and then you see it and it's a little bit different. So we'll see how it comes out.

LEA LEXIS: I'm from Romania. Yeah, that's where Vlad the Impaler was from, which is kind of my job description! I've been over here two years, on and off but I worked in Europe for three years. Budapest and all over. That's what I liked about Europe, I got to travel all over. I got to shoot in France and Germany and Italy and San Tropez and all those beautiful places. Then I moved to America and I shoot in the Valley. I did gymnastics for ten years. I was living with the national team so I had a very strict environment. I wasn't even interested in sex, I was so focused on what I was supposed to do. I really had an interest in porn and stuff like that and soon I broke out. Actually like this Asian guy saw a few pictures of me. It was kind of like the equivalent of Facebook but it was a Romanian version of it and I was like doing splits and upside down and doing this stupid stuff. I always liked having sex in public places because of the thrill of it. I remember my first guy, his name started with an "A"...I always wanted to do the alphabet. I LOVE having sex in public places but I'm afraid in America because you have that, what is it called? Public Offender? In Europe, I've done it in the craziest places, like on a car while I was driving in Austria, on a bridge in Prague at night when people from far away can see you but they don't know what the fuck you are doing. In the snow, in a castle in Budapest, we actually got caught there. ...It depends what gets me off. Like a bunch of other people...some guys like dirty talk and some guys don't. My new fetish is this J-lube type of thing that's very sticky, various flavors, like an exaggeration of spit play. It gets really stringy. There's an expensive one that can cause skin sensitivity and if you use them over and over again, your skin gets very sensitive. It pulls every little bit of skin and hair. It's sticky—such an interesting sensation. It's like lube, only the lube is very thick. It's very sticky and it like pulls back. There's so much substance that you don't feel too much friction. It doesn't work for sex but it works for foreplay. I use stuff that you can mix in a bucket. It's a powder that you mix yourself depending on how thick you want it to be. It would be great for an orgy, cause you can just scoop it out.

The orifice probing, spit string finale continues far beyond the edge of wetness into butthole and cooch stretching gaga land. Gapes are thrown, hands are buried into forgiving love canals and a dildo even disappears up a poop chute but only for a short time before being successfully retrieved. A very respectable level of dramatic, non-despicable orifice penetration and meaningful lesbian connection has been successfully achieved. This was a very "forward leaning," constructive group effort where everyone brought the A game, got what they were looking for and could leave happy. Darkko speaks of gnarly, hardcore lesbian blogs touting the viability of his girl/girl movies. The temperamental subtleties of his deal somehow reach both gender specific realms of the erotic mind. Apparently all porn viewers win, so fuck it.

Darkko porn drips with close-up sex-scapes of wetness and mucous membrane glorifying clarity. He's an expert photographer, videographer and porn whore penetrator as evidenced by his frequent appearances in his porn award-laden BJ line *Suck It Dry*. He's a completely involved, old-school porno virtuoso and theorist of multiple stripes. All killer, no filler.

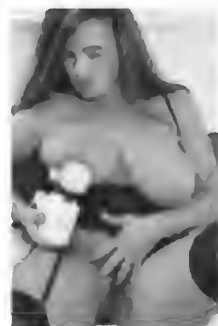

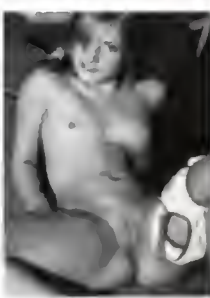

"I'm trying to break formula," he says from a sunny terrace table. "I think that formulaic porn is the nut that you're just going to have to crack at some point. I mean, you just can't come out of the box doing a blowjob, three positions and a pop. It's so static and it's, like, what are we telling people? We're just telling people that it's fucking nonsense, you know?"

JOSLYN
JAMES

PIXXX by shel black

@Joslyn_James

With the weather outside being frightful and all, it is not surprising to find busty bombshell Joslyn James nice and warm indoors, busily decking the halls in preparation for the cumming of XXXmas. After placing a vase of gorgeous red flowers atop the mantelpiece, she decided that her next HOLIDAY chore was to figure out what type of snack to leave for Santa. Bored with the old standby of cookies and milk, she decided to give him a special treat this year by drizzling some of her secret honey directly onto the fireplace floor. That way, he'd be sure to pop out of the chimney sporting wood. So Joslyn unfurled her fun bags, ditched her thong, and had herself right there on the hearth. If Old St. Nick had been peeping down the flue while Joslyn jilled off, the view from above of her wriggling and jiggling in the midst of a mighty orgasmic throe surely would have sleighed him.

@LilyCarterXXX

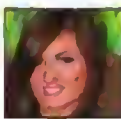

By @Gabriel_Lan

If ever there was a girl in porn that had the "All American Girl" look, it's Lily Carter. She just looks like the type who was probably head cheerleader or homecoming queen. Hell, probably both! Like the kind of girl you would want to take home and introduce to your parents and grandparents. She's that girl who will throw the football around with you in the backyard while you're waiting for Christmas dinner to be ready, then blow you in the basement later. Truth be told, Lily IS all those things...plus a whole lot more, and blessed with a much dirtier mind than you can possibly imagine. She has risen to the upper echelon of the jizz biz due in no small part to that "look," but has also honed her acting skills to the point that she is now being recognized for more than just what she does while being filled with cock. Lily is almost certain to be nominated for several awards due to some of her latest work, and is clearly a fan favorite having topped the "FOX Top 25" Fans' Favorite Pornstars poll on multiple occasions in 2012!

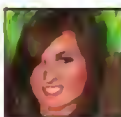

@Gabriel_Lan: Ever find out who had that voodoo doll of you over the summer? You were having some bad luck...

@lilycarterxxx: Lol. My luck just won't turn around!! I must have walked under a ladder! It started with simple acne, then I broke my nose.

@lilycarterxxx: I've had to go to emergency 3 times in the last two months. I've had three abscesses on my face the width of baseballs...I was so upset.

@lilycarterxxx: I bought a car and the 1 thing that my warranty didn't cover broke in 2 days. There's more that I've probably blocked out of my memory! lol.

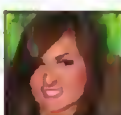

@lilycarterxxx: I'm hoping this trip to L.A. and shooting my *Superstar* movie will turn my luck around.

@Gabriel_Lan: Girls' hormones react differently to birth control pills. I understand you had an adverse reaction to yours. All straightened out now?

@lilycarterxxx: ahhhhhhhhhhhhhhhhhhhh!!!!!! I hate birth control...

@lilycarterxxx: It caused acne, depression, and ruined the awesome body I'd been working on for a YEAR in just ONE month!! Sorry, I had to get that out lol.

@Gabriel_Lan: Have you experienced any good side effects from being on birth control?

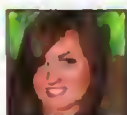

@lilycarterxxx: My boobies look very, very nice lol

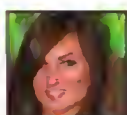

@Gabriel_Lan: You beat me twice last year in our fantasy football league, and I did NOT let you win LoL. How long have you been into fantasy football?

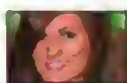

@lilycarterxxx: Well that was technically my first year playing...I've always been a huge football fan though!

@Gabriel_Lan: It's made me more of a fan of the NFL as a whole, but less so of any 1 team...besides my fantasy teams LoL. Has it had the same effect on you?

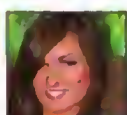

@lilycarterxxx: I guess in some ways it's made me a greater fan of certain individual athletes such as Darren Sproles and Patrick Willis (:

@lilycarterxxx: But I'll always be a huge Packers fan!!

@Gabriel_Lan: You're a Packers fan? Really? Why not the Seahawks, for example?

@lilycarterxxx: Well I like Brett Favre...but I never quit being a Packers fan when he moved to the Jets. I'm a Duck fan!!!! Huge Duck fan!!!!

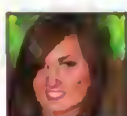

@Gabriel_Lan: How about college sports...Ducks or Beavers?

@lilycarterxxx: I'm a Duck fan!!!! Huge Duck fan!!!!

@Gabriel_Lan: Have you always been into football? Other sports, too?

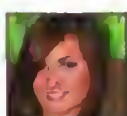

@lilycarterxxx: I've been a big football fan since high school. I don't really pay attention to much other sports.

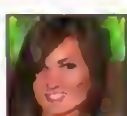

@lilycarterxxx: The Olympics were very entertaining to watch considering there are so many Eugene based athletes.

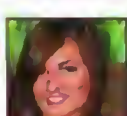

@Gabriel_Lan: Being from Oregon, I would imagine you being very outdoorsy. Is there any part of the country more beautiful, in your opinion?

@lilycarterxxx: I LOVE Oregon! I actually despise coming to Los Angeles! It's so dry and dead in the Valley and I'm not much of a city girl.

@lilycarterxxx: I love my job but I wish it would relocate to a prettier state. I lived in Washington state growing up.

@lilycarterxxx: Washington state is by far the most beautiful place I have seen. Better than Oregon...if u can take the rain! lol

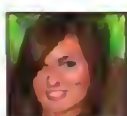

@Gabriel_Lan: On my bucket list is visiting Crater Lake, OR. Have you ever been? I might need a tour guide ;-)

@lilycarterxxx: I'd love to be your tour guide (; but we might get lost lol. I've only visited there a couple times.

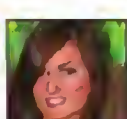

@Gabriel_Lan: I can think of far worse fates ;-)) You ever go camping or hiking?

@lilycarterxxx: Heck yes!!!! I love the outdoors!! A beautiful surrounding is one of my favorite things in this world.

@Gabriel_Lan: You've topped FOX's quarterly Top 25 fans' favorites pornstars poll twice so far this year. How does it feel knowing you're a fan favorite?

@lilycarterxxx: Yayyyyyyy! I love my fans!! It makes me excited and happy knowing I have so much fan support!

@Gabriel_Lan: Along with the #1 ranking in FOX's poll, you were also on the cover of the October issue with a whopping 12 page "on set" spread!

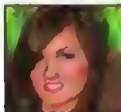

@Gabriel_Lan: I'd say your rise to the top has begun!! Not bad for a small town girl from the Great Northwest, huh?

@lilycarterxxx: I have a ways to go!!!!

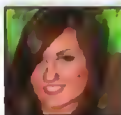

@Gabriel_Lan: You don't see yourself as one of the top stars in the industry, do you? Do you want to be?

@lilycarterxxx: I don't think I would call myself a top star. I would love to eventually be one, and with my fans support I think it's possible!! (:

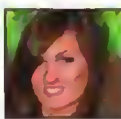

@Gabriel_Lan: Well, your pussy does have its own Twitter account. Was it flattering that a fan created that account...or creepy? LoL

@lilycarterxxx: Flattering! It made me giggle! I still don't know who runs that account....

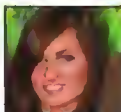

@Gabriel_Lan: What are the best and worst things about the 1st hand interaction with your fans when you're signing at conventions?

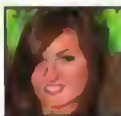

@lilycarterxxx: It's awesome to be able to meet the fans, but super stressful for me. I always worry that I won't be what they expect...

@Gabriel_Lan: How is "sad people tweeting" worse than "drunk texting?" LoL

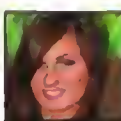

@lilycarterxxx: It's 100 times worse... Instead of just one person getting your drunk text, the whole Twitter world is seeing your sad tweet!!!

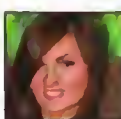

@lilycarterxxx: I made that mistake a few times and just decided to stay clear of Twitter. It helped me not seem so pathetic lol

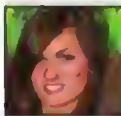

@Gabriel_Lan: I understand you're something of a "serial killer trivia" expert. LoL how did you get into that?

@lilycarterxxx: Well it started out with a book I was reading on psychology. The section on the criminal mind interested me.

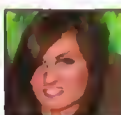

@lilycarterxxx: So I started looking for more information on the Internet. I found a site about children that kill and that was the beginning of my obsession!!! LoL...

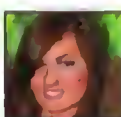

@lilycarterxxx: I've debated writing living serial killers...I just want to understand the way they think.

@Gabriel_Lan: With your serial killer obsession, do you watch *Dexter*? The TV show about the serial killer that kills serial killers.

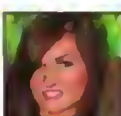

@lilycarterxxx: I love *Dexter*, but I haven't been watching the newest seasons...I don't have that channel! Argh!! LoL

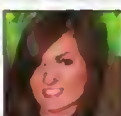

@lilycarterxxx: Honestly I hate watching tv shows while they are still in season. I'd rather just wait til they are on DVD.

@Gabriel_Lan: Why do you think that most known serial killers are white males? It's rarely to never a woman or someone of another ethnicity, for example.

@lilycarterxxx: From what I remember reading in one of my books is that there is no proven study to why that is.

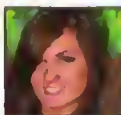

@lilycarterxxx: I have my own theory, but that would be far too long of a discussion for a porn magazine lol

@Gabriel_Lan: Maybe we could talk Ivan (from PUBA) into creating a series starring yourself as a female serial killer! How did you get involved with PUBA?

@lilycarterxxx: Haha. I don't want to play the serial killer...I want to play the victim (; (just kidding)

@lilycarterxxx: I met Ivan and Steve on set for a babysitter movie they shot me in. (: Good people!

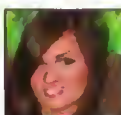

@Gabriel_Lan: You won a Spank Bank Award for "Best Reason For A Road Trip Sex Break" last year. What's the longest road trip you've ever been on?

@lilycarterxxx: Only 16 hours...nothing super long.

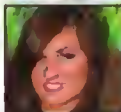

@Gabriel_Lan: Do you have a particular road trip you're just dying to take?

@lilycarterxxx: Yes!!! I really think that the PUBA girls should rent a bus and take a sex road trip!!!! (just an idea...let's make it happen!!)

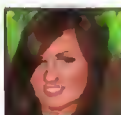

@Gabriel_Lan: LoL How many sex breaks do you think there would be on THAT road trip?? LoL

@lilycarterxxx: Countless times.... Plus some "while driving sex" lol

@Gabriel_Lan: You're nominated for several more Spank Bank Awards this year. Anything you'd like to say or do to the committee (me) to help out your cause?

@lilycarterxxx: Ummmmm, watch my scenes and judge me yourself..... (: I think you'll like what you see (:

@Gabriel_Lan: I'm certain your performance in Elegant Angel's *Wasteland* will garner you noms from several different entities. Have you watched the movie?

@lilycarterxxx: I haven't...And honestly I don't want to. I'm so proud of it and I know Graham has made a masterpiece. However, I don't watch my own work.

@Gabriel_Lan: By the time this is out, your 1st DP scene will have been released How was the experience? Everything you thought it would be?

@lilycarterxxx: Only word to describe it...amazing!

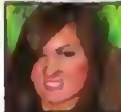

@Gabriel_Lan: Now that you've checked off DP, what's next on your porn "To Do" list?

@lilycarterxxx: I want to do everything!!!!

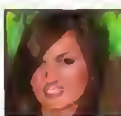

@Gabriel_Lan: Do you have any guilty pleasures?

@lilycarterxxx: Lol I masturbate to Justin Beiber on occasion.

@Gabriel_Lan: You're kinda a fan of the oldies type of music, aren't you? Not a big dubstep fan like so many of your fellow porn girls?

@lilycarterxxx: Not so much. I love most types of music. Anything I can sing along to. I like being able to relate to a song's lyrics. I love oldies the most. (:

@Gabriel_Lan: How long do you see yourself staying in the industry?

@lilycarterxxx: I honestly have no idea!

@Gabriel_Lan: What would you like to do after you decide to stop making jackoff material for your growing legions of fans?

@lilycarterxxx: Well my initial plan was to start investing in laundromats (I know, kind of weird, but there is some logic behind it)

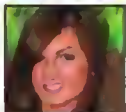

@lilycarterxxx: But after meeting my savings goal I decided against that idea...I want bigger and better... I'm thinking about franchises.

@lilycarterxxx: Now I have a new savings goal and a new plan...

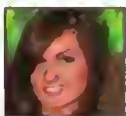

@Gabriel_Lan: Some fans may not realize that you are a mother now, right? I guess that helps keep things in perspective and your priorities in order.

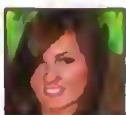

@lilycarterxxx: Exactly! When I'm in L.A. I get to be Lily. When I'm home in Oregon I have a total different life than you'd expect.

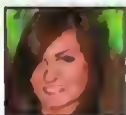

@Gabriel_Lan: Unlike so many of your fellow porn girls, you don't stay out late partying and then have the luxury of sleeping till the afternoon, huh?

@lilycarterxxx: I went through that phase already. Believe me, I did my fair share of partying! However, I'm much happier now!

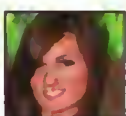

@lilycarterxxx: I don't use drugs. I drink maybe twice a year. I don't mind if others do. I see their attraction to partying. It's just not my thing anymore.

@lilycarterxxx: Having a child really does change your values

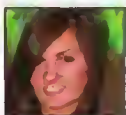

@Gabriel_Lan: What is a typical Christmas for you? Do you get together with family, eat, watch football, all the "normal" stuff?

@lilycarterxxx: I LOVE Christmas time. I'm that annoying person that blasts Christmas carols in November lol.

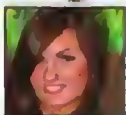

@lilycarterxxx: I love staying in the warmth, drinking hot cocoa and seeing my daughter open her presents. I usually go to my grandparents for dinner

@lilycarterxxx: And yes, there is definitely football!!! Lol

@Gabriel_Lan: Have any Christmas traditions?

@lilycarterxxx: Everyone gets to open one present (their choice) on Christmas Eve.

@Gabriel_Lan: Can you remember what your favorite Christmas present ever was?

@lilycarterxxx: My trampoline!!!

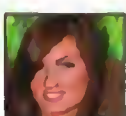

@Gabriel_Lan: Are you the type of person that makes New Year's resolutions? LoL how long do you normally stick to them?

@lilycarterxxx: I don't even attempt to make a new year's resolution...I have no will power.

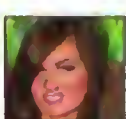

@Gabriel_Lan: What does 2013 hold in store for Lily Carter? Anything particular you've set as a goal for the coming year?

@lilycarterxxx: Gosh it's I can't believe it's almost 2013 already...I just plan on exploring my sexuality more, if that's possible!

@Gabriel_Lan: Since it's just around the corner...as both a woman and a pornstar, what are your thoughts on Valentine's Day? Is it a farce or romantic?

@lilycarterxxx: It is not my kind of holiday. It's a reason for businesses to make money. I like that it gives me another excuse to eat chocolate though lol

SLUTS 'N' PUPPET
INDIA SUMMER, MANDY ARMANI,
EVAN STONE

PIXXX & ARTICLE BY JEFF HUBRIS

When people I don't like receive awards, I'm convinced—and attempt to convince others—that it's a total scam. But in the instance of someone I'm partial to, or even fucked up on (as will be shown to be the case here) I will of course be first to trumpet the glory of the righteous porn award bestowal system. That being said, India Summer has been totally cleaning up on porn awards over this last year. The heavily retarded porn gods got it right for once! In fact, if I were running this fucking show I can think of a few more categories that she would need to win: 1. Best, most dangerous "come hither" stare ever in the history of the universe. (All ages.) 2. Best, most disarming "come hither" vocal tone and erotically playful conversational ability in the history of the universe. (All ages.) Also, 3. Best, most authentically open and down to earth Midwestern personality style juxtaposed upon a truly well-spoken, emotionally available, hyper-orgasmic, female sex freak ever in the history of the universe. (All ages.) And there's more.

I'm basing this insight upon the last fifteen minutes I've spent with India, hanging out at a table on the back terrace of a well-known porn house. Soon enough she'll be joining Mandy Armani in a threeway scene with porn renaissance man Evan Stone for another, um, immorally alluring exercise in sex involving familiars of, um, different varieties. All of this is just acting of course and there are no implications of people from the same bloodlines touching each other in non-appropriate ways, so we're all safe here. I ask India about her orgasmic ability and she mentions a fucking machine scene she did a week ago where she fired off like twenty in a row.

"I was done for a minute after that," she says. "I've just been fucking all the time since January. It's been insane. I love it. Sometimes I can fuck more later off-camera but sometimes there are days when I just can't do it anymore."

I received my advanced certification as a VAG (Vaginal Assessment Grader) service technician from the UPC (University of Pornography at Chatsworth) work-study program years ago and assign India Summer's hoo-hah the highest "EFF" (Extra Fresh and Fruity) rating, especially in the face of some extremely high penetrational mileage.

"My pussy bounces back, but it's funny," she explains. "Certain things will affect it differently, but I started using coconut oil as a lube so there's no extra risk of bacteria and yeast or whatever. I also do a lot of Epsom salt baths to take the swelling down and keep everything nice and lovely but it's a fucking chore keeping my vagina in check. It's a second job."

As much as I would love to continue this discussion of the ever-changing moods and manners of India Summer's love tube, we must unfortunately move on. "India is going to be lending out some of her '80s clothes to Mandy Armani, the neighbor's daughter and will then seduce her," director Jim Powers explains. "And her husband's going to come in there seeing his wife doing the neighbor's daughter and join in. It happens every day."

India makes her entrance in a tight, gray skirt, an ideal sexy mom outfit.

"Hey, Stems!" shouts Evan Stone as she strides into a back bedroom. Such Roaring Twenties terminology applied to a hot, leggy broad traverses generations of linguistic evolution and is suddenly hip again. That's rich! *Hey daddy-o, how's about you shoot some video while I make nookie with these two stanky dolls! But, natch!*

Mandy Armani is resplendent in a nicely crafted, fishnet stocking Madonna get-up, looking very much the easily influenced slut teenager next-door. Legendary dialogue is shot and all of a sudden India is munching on Mandy's cooter. Stone makes his fatherly entrance and is **SHOCKED! SHOCKED, I TELL YOU!** at this breach of cross-generational sexual decorum that involves his own wife and the neighbor girl. The gals trade-off on the all-important pre-fuck cock blowing ceremony. Then Stone bangs his way through both gals over a period of about forty minutes. It's late and Powers interrupts video with periodic shouts of urgency like "That's awesome! Great job, guys! Keep fucking! Get that pussy, Evan!"

INDIA SUMMER: I do like getting fucked hard but I can cum hard just from a nice, medium pace of fucking, as long as it's hitting me where I need to be hit I can cum and cum and cum. It's kind of like a wave. I can remember being on one machine the other day. I came and it was slowly going down and then all of a sudden it would spike so hard again, like immediately, it never really ended and it would just go on. I think I was cumming for several minutes at a time. As women we are so lucky and I'm getting more orgasmic as I grow older. It's ridiculous. It's just ridiculous, that's the only way I can describe it. It makes walking hard afterwards. ...I wanted to come into this business and be a sex-positive person and make people know that this is a very positive thing. You can't look at sex as a bad thing. My god, if it feels that good, are you kidding me? There is the theory that you guys as males are losing a little bit of yourself every time you cum, but we as women are free to do whatever the fuck we want and it's better for women to cum more than not. But for you guys it's just slowly killing you. Tiny death. It's great for me but it's a total ripoff for you. ...When I won the AVN for "MILF of the Year" I did not see it coming. For AVN I think this was the third year I've been nominated and I was just thrilled to be nominated again. That's a really fucking sweet ass group of girls. Amazing performers, beautiful women, so I was just really thrilled to be nominated with all of them again. The last year I was the most hired female talent of the year. I guess they did a survey and that came out in January 2012. I knew that I was busy and everyone was saying I'm not working and everything has been slow and I was feeling fairly busy so I guess when that came out I was, like, oh thank god I'm not crazy. I'm still really busy, like really busy so I'm really blessed right now, period. Tomorrow I have another anal scene and there's a lot of preparation involved with that to. I just did an anal with coconut oil a few weeks ago and it was spectacular. This is actually cutting into my extracurricular fucking right now. I had an appointment with my boyfriend and now I'm tardy and he has to go to work. I'm working furiously on my own site so I can do my own thing and I'm still contracted with Girlfriends Films so I'm shooting with them as well and working on directing another movie for them. I'm just going to see where it'll all go. I have to milk it now cause I'm thirty-six. I'm not getting any younger but I'm having a blast. I feel really blessed to still be around. ...When I shaved for the first time it scared the shit out of me. It was so ugly. I looked down and it looked like a turkey ass, like when you have to wash the turkey.

MANDY ARMANI: I used to work under the name Casi James. I changed it for two different reasons. First there were already two that I didn't know about and out of respect for them and myself I switched. The other reason was that I switched management. I'm with ATMLA now. ...I'm twenty-four. I always wanted to do porn. It's like you see the magazines when you're young and I'm, like, I want to do that. I wanted to be a stripper but I've never done that because it's not really what I want to do anymore. Before porn I always had boyfriends. I don't have a boyfriend anymore. I like doing porn because I like to work with a select, different group of people and I get to experience different sex rather than the same penis every day. That works for some people but maybe I'm just not grown up enough. I really love my toys. I love doggy and I like rough sex but sometimes I like sweet sex. It kind of varies between the day. I just love all sex in general but that gets me off the most. I always wanted to get hammered. I guess I just dated guys that were a little rough like that and I liked it. I think I probably cum a little bit better when it's slower just because I want it rough and it's not. I've done anal in my personal life about four or five times and each time it's different. I think it depends on the guy. I like it and I like to have an orgasm when I'm doing anal because you have so many more nerve endings and it's like a double orgasm. That's probably my favorite orgasm. I don't do it for porn because I think it's something special. It's gotta be for someone you care about, and not a huge cock. I worked with one guy and I couldn't even get it in all the way, but it was fun. I like all cocks though. I like porn because it enables me to go to school more and hang out with friends more, and it makes it affordable to travel more which is my other favorite thing to do. I want to go as far in this as I can. I see myself always involved in the industry. It's like a passion in a way. I want to do that and open up another business on the side. I want to open up a boating business, but when I do that I still want to do porn. I would also like to be on the other side of it too and be a director and write scripts or something. I was going to school for Early Childhood Education but I just found out that people were getting fired and not hired if they found out they were in the industry, which is fine because that doesn't even really pay enough. So I'm going to drive boats and take tourists out and give them Mai Tais and sandwiches. I like surfing, skating and working out, going to the beach and I like shooting guns. I like cars. I grew up in Hawaii. I had one of my first threesomes on my birthday this year.

Stone blows a load onto Mandy's face and some jizz lands in her ocular zone. Powers tells her to keep her cool until he can get the final sperm-glorifying facial shot. When he kills video, India leans in to inspect the damage.

"Damn!" she remarks pointing at an eye corner. "That's the biggest drop there."

Mandy Armani accepts a towel and dashes for a bathroom. I guess we're done here.

After the clean-up Mandy climbs into her street clothes with a nice case of red eye. She delivered a pretty decent bang out, capped with the extremely common vagrant jizz/cornea run-in.

"Yeah, he popped in my eye by accident," she says reticently. "I can't see out of it very well. I'm like, thank you!"

She's been in the industry for under a year and before that spent time as a nanny and a "beach girl." The seemingly benign nanny profession has long been a reliable farm team for the porn girl big leagues, acting as a common springboard from quiet mommy duties into porno circus land. Real life sux, like for real, dude.

"I like the lifestyle," she says happily. "It's really fun and everybody I meet is really cool. I mean, who doesn't want to get laid? I love it! I'm like, *Oh, I'm going to go have sex today!* Yes! No more punching the alarm clock at seven a.m. and rushing somewhere to deal with crying kids or something. I get to go have sex and laugh!" 🐱
